The coming Grand Army encampmen at Washington in September promises to be the largest ever held, and more old soldiers will be in line, than at any time since the close of the war. Particular interest is being aroused from the fact that the G. A. R., have never visited Washington since the grand review just before being mustered out to service. To add to the enloyment of the encampment a series the enjoyment of the encampment a series of very cheap excursions have been ar-ranged t. Richmond and the historic bat-tlefield of Virginia.

As tickets will be sold to Washington with a limit of Oct., 12th returning it will

enable parties to make a good long visit in the east and start home in time to stop in Chicago and take in the world's fair dedication ceremonies which will occur Oct. 11th and 12th. At the same time there

There is a rule at Brighton Beach which prevents the scratching of a horse without good reason. It is a rule that could be adopted at all tracks with good results. Allerton and Nancy Hanks are matched to race on the Independence

(Ia.) track in September for a purse of \$10,000. The Thursday preceding this race Allerton and Axtell will have a race on the same track. The fastest mile ever trotted by 8 2year-old this early in the season was accomplished at Lexington, Ky., John E. Madden's filly Gypsy Earl, by

E. F. Garrison, the jockey, never rode more brilliantly than he has this season, but his illness at Coney Island, in which he was taken with bleeding at the lungs, gave his friends considerable uneasiness. His trouble is hereditary, his father having suffered from fainting spells and hemorrhages. Baron Hirsch, who gave his turf win-

nings last year to the London hospitals, has just handed a further sum of \$35,000 to the medical charities of the metropolis, the amount representing the greater part of the stakes won during the present season by the baron's filly La Fleche, winner of the One Thousand Guineas and the Oaks. Tammany, the great 2-year-old owned by Marcus Daly, won the \$25,000 Lorillard stakes in a gallop, the time for the

mile and three-quarters being 2:20%, which, considering the fact that the horse carried 122 pounds, is a better performance than of Ormie, who holds the record (2:20%) for the same tance, but only 105 pounds up. There is a plan on foot to prevent the total wreck of the Western Baseball league.
